Under the tent for the National Capital Area kickoff.

Charity Campaigns

Roxie's Fund continues to participate in both the **Maryland Charity Campaign** and the **Combined Federal Campaign**. This means that if you work for either the state or federal government, you can set up one-time or recurring donations to your favorite approved charity via payroll deduction. This is probably the most painless way to donate, and you can spread your desired sum over a period of time. It's also great for Roxie's Fund because we receive a consistent source of donations, which allows us to plan more effectively.

It's easy to sign up!

Inquire at your workplace in order to sign up for donation to Roxie's Fund or visit us at an MCC or CFC event in your area. You will need the charity designation number for Roxie's Fund, and these vary by region for the CFC:

Chesapeake Bay Area #91236
Potomac #91236
National Capital Area #91236

For the MCC, the designation number is 2655 and is the same across the state.

A Letter of Thanks...

Roxie's Fund volunteers were so happy to have received the following email thank-you note after a Spay & Neuter event. We don't often hear from participants after the event, so this was very meaningful to us, and we thought we would share! Roxie's Fund has covered 6 spay/neuter surgeries this month!

"I just wanted to thank you again for all your help!

It was a rough first 24 hours as he was crying so much. -Well we were both crying as I am a hormonal mess with the pregnancy. But he bounced right back and began recovering very quickly the next day. -Now 1 week later He is napping peacefully without his cone. Thank you so much as I could not have kept Zeus without an organization like yours out there helping Dogs & Owners like me, & He is such a huge part of my life. I am so grateful and cannot thank you enough.

Thank you so much for all you do!

Michelle & Zeus"
