

ROXIE'S ROUNDUP

Under the tent for the National Capital Area kickoff.

Charity Campaigns

Roxie's Fund continues to participate in both the **Maryland Charity Campaign** and the **Combined Federal Campaign**. This means that if you work for either the state or federal government, you can set up one-time or recurring donations to your favorite approved charity via payroll deduction. This is probably the most painless way to donate, and you can spread your desired sum over a period of time. It's also great for Roxie's Fund because we receive a consistent source of donations, which allows us to plan more effectively.

Roxie's Fund volunteers plan to attend CFC events for Western Maryland on and for the National Capital Area (NCA). Typically, Roxie's Fund is one of about 40 charities attending. Check our website for updates on the MCC and CFC dates.

It's easy to sign up!

Inquire at your workplace in order to sign up for donation to Roxie's Fund or visit us at an MCC or CFC event in your area. You will need the charity designation number for Roxie's Fund, and these vary by region for the CFC:

Chesapeake Bay Area #91236

Potomac #91236

National Capital Area #91236

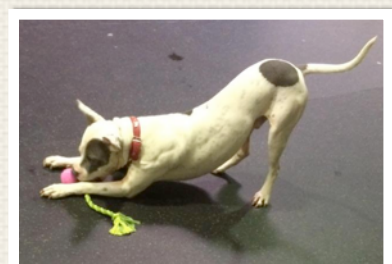

For the MCC, the designation number is 2655 and is the same across the state.

Spay and Neuter

If you're reading this newsletter, you probably understand the importance of spay/neuter for your pet. However, many people struggle to make ends meet and spay/neuter is more of a luxury than a necessity. Roxie's Fund has created a reduced-cost spay/neuter program using several clinics in our area. In August-September, we subsidized the spay/neuter of 6 pets. For more information or to make a donation to help us end the misery of euthanasia, see our website or email for.roxiesfund@verizon.net

URGENT: KIARA

KIARA'S OWNER COULD NO LONGER CARE FOR HER, AND ROXIE'S FUND WAS CALLED TO HELP. KIARA WAS FOUND TO BE EXTREMELY OBESE AND HAD DIFFICULTY WALKING OR EVEN GETTING UP. WITH 6 MONTHS ON A STRICT DIET, KIARA LOST NEARLY HALF HER BODY WEIGHT TO GET TO A HEALTHY WEIGHT OF 71 LBS. UNFORTUNATELY, THE YEARS OF EXCESS WEIGHT TOOK IT'S TOLL AND SHE HAS SEVERE KNEE AND HIP DETERIORATION THAT REQUIRES SURGERY. KIARA DESERVES A SECOND CHANCE! SHE FEELS BETTER AT A GOOD WEIGHT, BUT SHE IS STILL SUFFERING. CAN YOU MAKE A DONATION TOWARDS HER \$7500 SURGERY?
